成交只是开始 服务永无止境
THE TRANSACTION IS JUST THE BEGINNING, AND THE SERVICEIS ENDLESS

锦杰 JINJIE

Zhejiang Province Zhuji Suo Enge Machinery Technology Co., Ltd. was founded in 2000, is a professional production, research and development, automotive generator manufacturer, the factory covers an area of 2000 square meters, construction area of 9000 square meters, fixed assets 12 million. The existing staff of more than 50 people, technical personnel 12 people, strong technical force, with strong product research and development, design, development capabilities, the company's annual production capacity of 200,000 units.

To condense science and technology as the new, achievement of hig h quality for the pursuit of enterprises. Over the years, the company closely follow the trend of domestic and foreign automobile develop ment, breaking through the key points, using imported components and advanced technology, combined with independent innovation, gathered a strong technology development and market innovation capabilities, to provide customers with high-quality products. In the spirit of good quality and moderate price, we will build our own bra nd in the fierce market competition.
